

40  
DAYS  
OF  
COMMUNITY

1. Join us for a great breakfast and kick-off on February 7 between 9:00 and 10:30 am

2. Join or host a 40 Days small group that will meet once a week for six weeks.

3. Attend a church service every week. Commit to attending all seven weekends during the campaign.

4. Read the 40 daily devotionals based on the "one another" passages found in the Bible.

5. Memorize Bible verses. Each of the six weeks includes one verse that we will memorize together as a church.

6. Help us with mission outreach in our community and globally.

*40 Days of Community* is a step of faith we've taken as a church and because you're involved you're going to grow too! By getting into a small group you will not only experience all the campaign has to offer, you are going to make some friends. And we can't wait to hear the stories of how God has changed your life and the lives of others in our small groups.

To fully be a part of this exciting 40-day journey, you'll need to be in a *40 Days of Community* small group. We can help you sign up! Come by the Buzz Bee Hive this weekend to get in a group.

# Are you ready for 40 DAYS OF COMMUNITY?

You are invited to join an effort to build the sense of community in our area, and in our church. This campaign is going to change all of our lives because this is the one time we align everything from children, youth, and adults to focus on spiritually deepening our selves and our church. Neighborhood groups will be meeting in homes once a week for six weeks where we will focus on deepening relationships and serving our communities. In this campaign we're going to answer the question, "*What on earth are WE here for?*" and look at how God's purposes relate to our church and our local community.

In order to get the most out of this campaign, you need to be in a small group! We are asking everyone in our church to participate.
